

How can we look after our mental health?

We all have mental health, just as we have physical health. Just as you would go for a walk or eat an apple to look after your physical health there are lots of things you can do every day to maintain good mental health.

Discuss together the things you do each day to maintain positive mental health, but also list the things which might be bad for you. Pop the poster up where everyone can see it as a reminder of the little things we can all do to maintain positive mental health.

Things that REDUCE positive mental health

 **Example: Not taking a lunch break** – getting away from your desk helps reduce stress at work.
